INSPIRED ESCAPES

With access to exquisite resorts in Mauritius and beyond, Susie Freeman is a one-stop shop for savvy travellers

If, as Saint Augustine intoned, 'the world is a book, and those who do not travel read only a page,' Susie Freeman is the ultimate librarian. With an exhaustive contacts book and a highly personalised approach, she offers her clients access to the finest destinations in Mauritius, the Seychelles and Southern Africa.

Her Mauritian properties testify to the quality of her portfolio. Royal Palm, in the north-west of the island, is one of the most exclusive addresses in the Indian Ocean. Perfectly positioned between Grand Sable beach and the bustling village of Grand Baie, this Leading Hotel of the World has elegant accommodation and a Spa by Clarins.

The Residence is another tropical gem

– the embodiment of cool, contemporary elegance. The resort is modelled on a traditional Mauritian manor house, with lofty vaulted ceilings and an abundance of polished hardwood. Guests will find decadent accommodation, exquisite dining, a blissful spa, a free kids' club and a fully equipped boathouse.

Located on the island's Belle Mare peninsula, One&Only Le St Géran is bound by a cove on one side, and a coral-sheltered bay on the other. Known as the 'Grande Dame' of Mauritian hotels, it promises super-luxurious suites with 24-hour personalised butler service, tropical gardens and Michelin-starred cuisine.

A host of activities – such as sailing, water-skiing, tennis, golf and excursions around the island – can be enjoyed.

The most recent addition to Susie's

portfolio is Trou aux Biches, which recently emerged from a two-year, £90-million renovation as a modern five-star destination with a charming 'village' atmosphere. It's perfect for families, too, with spacious villas and exemplary children's and teens' clubs.

So whether you are seeking a blissful escape, an activity packed adventure or a family holiday, Susie Freeman and her team will ensure that your expectations are exceeded. □
